Bayesian Statistics with R-INLA
University of Zurich, March, 2022

Instructor: Sara Martino

Department of Mathematical Science (NTNU)

Good News!

All the theory we have seen is wrapped up in the R-package `INLA` which is easy to use.

Getting INLA

Getting INLA

- The web page www.r-inla.org contains source-code, worked-through examples, reports and instructions for installing the package.

Getting INLA

- ▶ The R-package INLA works on Linux, Windows and Mac and can be installed within R by
